

PROFILE INFO

With Over 12 Years of Diverse & extensive experience in Land surveying across KSA & PAKISTAN, I have had the privilege of contributing my expertise to a wide range of projects. My career journey has been enriched by working with prestigious international companies, where I honed my skills as a proficient land surveyor. I am well-versed in utilizing state-of-the-art equipment such as total stations, Auto levels & GPS systems, ensuring precision & accuracy in every surveying task. My professional qualifications further validate my commitment to excellence in this field. Currently I am seeking a new job position where I can contribute to apply my expertise & knowledge, making valuable contributions to upcoming projects and further advancing the realm of land surveying.

The figure consists of eight sub-diagrams, each showing a 3x3 grid with numbers 1 through 9. The diagrams illustrate the step-by-step construction of a 3x3 magic square. The numbers are placed in the grid in a specific order, with some numbers already present from previous steps. The final diagram shows the completed magic square with numbers 1 through 9 arranged in a 3x3 grid.
